Pedestrian entrance to the Mole, Cavallo Rosso side

Pedestrian entrance to the Mole, Porta Pia side

Museo Tattile Statale Omero (Omero State Tactile Museum)

To enter the Mole Vanvitelliana, you can use **two entrances**:

1. The entrance with the **Cavallo Rosso** (red Horse): you need to cross a bridge and pass through **a large gate**.

2. The entrance from **Porta Pia**: you need to cross a bridge and pass through a **white entrance**.

Once you arrive at the central courtyard of the Mole, you can enter the Omero Museum. There are two entrances:

- one with the **elevator**

- and one with the **stairs**.

The entrance with the stairs is larger, and there is a **sign** nearby that says Museo Omero.

Climb the **stairs**, and you will find a **glass door**.
